Full Face Shields

- High-quality eye and face protection
- Single use, one-piece face shield
- Optically clear, distortion-free, 14 mil PET film
- Fits easily over eyeglasses
- Soft stretchable headband
- This product is NOT made with natural rubber latex

Ordering Information:

Part Number:	Description:
ME-20633-013	8" Full Face Shield

**Due to FDA regulations this item is not returnable.

Directions for Use: The face shield is designed as a nonsterile, single use product intended for use as a shield over the face to avoid liquid splashing or splattering. The face shield should be properly disposed of after use. *4 boxes of 25 Conforms to OSHA 29CFR 1910.1030 Bloodborne Pathogens (3) Personal Protective Equipment (x) Face Shield Standards. This product does not meet the requirements of ANSI Z87.1-2015 standards for occupational/educational eye and face protection since it is not impact resistant nor does the shield provide dust protection.

AccuTherm™ Hands-Free Wall Mount Forehead IR Thermometer

Wall-Mountable Infrared Thermometer that automatically (hands-free) detects individuals' temperatures. Walk up... place forehead within 3" of the scanner to get automatic temperature readings on digital display. Audible and visual alarms if a fever is detected.

No human-to-human contact, avoids cross-infection.

This is perfect for entrances into office buildings, schools, retail shops, gyms, and more without the need of an employee to scan each person entering the location.

This unit can also be monted on a tripod or anything else that has a 1/4"-20 screw. Great for placement in hallways, outdoor events and more.

- Hands-Free Automatic Temperature Scanning
- Checks up to 50 people per minute
- Fast 0.5 Second Scan
- High Accuracy... ±1.0°F
- Display with viewing distance of 16+ feet
- Audible "Di Di" sound & Red LED Visual Fever Alarms
- Selectable Celsius or Fahrenheit Scale
- USB power sourcse, Wall charger, built-in lithium battery (not included), or power bank
- Three modes of operation... Surface, Body or Counting mode (up to 999)
- Tripod mountable has 1/4"-20 thread
