

Whether your business involves a factory floor, a lab, fleet operations or has environmental impact concerns, we have a **Liquid Safety Solution** for your operation. More than just spill control, our team is focused on helping businesses:

- Prevent slips, trips and falls
- Meet OSHA and EPA regulations
- Reduce Risk
- And yes, be prepared when that spill does happen

Sorbent Pads & Rolls

Universal, Oil Only and HazMat, pads and rolls to meet all of your application needs.

Wipers

Complete selection of wipers: airlaid, DRC, scrim, spunlace, hydrospun, food service, delicate task and meltblown.

Disinfecting Wipes

In high demand, wiper kits and wet wipes for cleaning and disinfecting.

Absorb It. Wipe It. Contain It.

High Vis Sorbents

Post a warning sign while managing leaks, drips and spills with these pads, rolls, wipes and convenience packs.

Absorbent Mats & Rugs

Mats and rugs tailored to meet the absorbency and durability demands of traffic areas and specialty applications.

Specialty Sorbents

Socks, pillows and drum top covers for those hard to manage areas.

Rags

New and reclaimed rags and towels metal scanned for your customers' safety.

Spill Kits

Spills happen... be prepared when they do. Available in a variety of sizes, configurations and applications.

Absorb It. Wipe It. Contain It.

Lab & Cleanroom

Sorbents and kits designed for the lab and healthcare environment as well as lint free for cleanrooms.

Neutralizers & Classifiers

Identify and render hazardous spills safe to handle and dispose.

Marine Sorbents

Absorb surface hydrocarbons while repelling water and preventing further migration of the spill.

Granular Absorbents

Clay as well as alternatives from cellulose and mineral sources like Magic Monkee.
